WorldCat Local
“quick start”

Daphne Kouretas
Member Services Consultant
WorldCat.org usage and content

- Over 2 million unique users per month
- 6 million full record views per month
- 389 million+ total visits to WorldCat.org
- 20 million+ total click-throughs to library sites (OPAC, ILL, OpenURL, etc.)
All libraries with subscriptions to WorldCat on FirstSearch receive WorldCat Local “quick start”

- No additional charge for subscribing libraries

First step toward the first Web-based, cooperative library management service

- Next-gen discovery and delivery: WorldCat, your catalog, local availability and resource sharing

- Modules for patron management and circulation, license management, print and electronic acquisitions, more
What is WorldCat Local “quick start?”

**Individual library search and discovery** with library’s branded URL, search box and interface

**Local library resources displayed first** in search results

**Interoperates** with many leading library systems to provide the real-time availability status of requested materials and to place holds

**Smart integration** with a library’s existing delivery services including OCLC Resource Sharing options

**Cloud computing** so there’s no software to install or maintain locally

**The same social networking tools** available on WorldCat.org

**WCL: Visibility of consortium/group** in search results

**WCL: Visibility of branch level holdings** when Local Holdings Records exist
