Careers:
A Current Issues Database

50+ Occupations
Editor-selected, vetted, full-text articles for each occupation.

Recommended websites with annotations for each occupation.

Editor’s introduction for every occupation - topic

Automatic searches to find more “relevant” full-text articles.

Job-Finder’s Toolbox – Careers special
As with all of the Current Issues databases, Careers features an eye-catching, graphical interface.
Wilson editors select information-rich articles that address career-related qualifications, duties and responsibilities, pay scales, and future prospects.
Careers covers not only a wealth of occupations, but provides relevant, helpful topics related to the occupations.
