The Magnolia Library offers a diverse collection of books, periodicals, videos, and on-line resources. As a member of LOUIS: the Louisiana Library Network, we are able to provide access to our Online Public Access Catalog (OPAC) as well as to the OPACs of surrounding institutions.

We have open access computers, printers, and copiers available for public use. Tours and bibliographic instruction sessions may be scheduled, and these may be tailored to meet the needs of classes and individuals. Our virtual tour is available to help you locate just what you’re looking for in our facility. We do have media equipment available. Media Services may be contacted for specific borrowing policies, availability, and equipment offered.

Like all libraries, the Magnolia Library collects fines on overdue items. It is the student’s responsibility to make themselves aware of the borrowing policies, lending terms, the amount of fines and how they are incurred. The library must receive proof that all fines have been paid at the Bursar’s Office before students are able to receive grades or register for classes.
