Discover

Resources have been curated by subject librarians using syllabi from Louisiana higher ed institutions and aligned with the Statewide Master Course Articulation Matrix. Resources will be regularly reviewed and refreshed to maintain their relevance.

Collaborate & Curate

Work with a cohort of educators or librarians to identify or create materials that meet the needs of your course or campus.

Design & Remix

LOUIS OER Commons has authoring tools to facilitate the design and remix of materials. Use these tools to create resources unique to a course, redesign for cultural relevance, or adapt materials to align with your instructional strategies.
